

Wedding Video and Photography

All-Included Super Package

● Pre-Wedding Video Interview

- Before the wedding, a video shoot is scheduled to interview bride and groom about their journey. Interview is separate, not the groom nor bride will see the interview only after the wedding. Questions are asked about how they met and fall in love.

● Rehearsal

- A week (or two) before the wedding a rehearsal is scheduled to go over the photo-shoot and video-shoot. Practice some poses and get familiar with the photographer and videographer. Bride and groom learn the cues and poses and how follow direction. That will make it easier at the moment of real action and everything will go smooth.

● Photography - before wedding. (Day of wedding)

- Photographer goes to bride's suite for taking pictures pre-wedding, accessories, preparations, bride portraits with bouquet, with bridesmaid. Sometimes also dress reveal, when the groom sees the bride dress for the first time.

● Celebration Total Coverage

- Either is on a church or an event hall, the Photographer and Videographer will create memories for a lifetime. Two video-cameras will be used to take full celebration event. While photographer will take pictures on every step of the process: Walk the aisle, exchange of vows, first kiss, triumph exit, etc.

● Family/Friends Portraits after Celebration

- Sometimes bride and groom choose to have family and friends portraits right after celebration in the church or event hall. Time is scheduled to take portrait pictures on location.

● Photography and Portraits Session

- We go to the photoshoot location, previously selected by bride and groom, to execute the photo-session.
- If is outside and weather doesn't cooperate, our studio is fully equipped with lights and back-drops to have a studio photo-shoot instead, at no extra cost. It's always good to have a backup plan 100% available.
- There are many different photography poses for bride and groom, bridesmaid and bestmen. Thankfully, during the rehearsal, many have been practiced and everything goes smooth.

● Reception

- Photography and videography all-inclusive: Entrance, first-dance, dances, speeches, party, family, friends, games, cake, decoration, bouquet, flowers, venue, tables, great memories, and more.

● Delivery

- Within 24 hours: A 60 seconds Instagram/Facebook format video highlights.
- 30 to 90 days:
 - Portraits/Pictures,
 - 10-25 minutes highlights,
 - Full wedding ceremony and reception highlights.
